

1 Grant of License

These license terms cover Prosys OPC UA Historian software (hereinafter referred to as "Software") licensed by the user hereunder ("You" or "Licensee").

Prosys OPC, having registered company name Prosys PMS Ltd (hereinafter referred to as "Prosys" or "Licensor"), Finnish company with domicile in Espoo and address Tekniikantie 14, FI-02150 Espoo, Finland, grants you the right to use the Software subject to the following terms.

2 Period of Agreement

This Agreement will enter into force when you install or use this Software for the first time. By installing or using the Software, you accept this Software License Agreement binding on you.

3 Evaluation versions of the Software

You may use some versions of the Software for evaluation purposes. The use of such versions of the Software for other purposes (including use in your business activities) requires a purchase of a valid license, which you can obtain from the Licensor against a payment of the license fee.

You shall restrict your use of any evaluation version of the Software for evaluation purposes only.

Any feature of the Software is subject to change without notice. Parts of the evaluation version code are not considered to be at the level of performance and compatibility of the final, commercially available product offering. Such code may not operate correctly and may be substantially modified prior to commercial release.

You are not allowed to distribute materials or data produced by the Software, regardless of the way how such a distribution takes place. You are not allowed to modify any material produced by the Software, including but not limited to computer files or data which were created as a result of the usage of the Software. You are not allowed to sell, rent, lease or otherwise use commercially any part of the Software or any files or data which were created by the Software.

Prosys is not obligated to make any evaluation version code commercially available.

Evaluation/demonstration versions of the Software are provided "AS IS" without warranty of any kind.

Prosys may include different practical limitations to the evaluation versions of the Software. Limitations may include (but not restrict to) time limited use of the Software or materials produced by the software. Practical limitations may appear in the Software, documentation or materials produced by the Software. In any case Prosys has the absolute right at any time to terminate use of evaluation versions with immediate effect.

4 Right to use and Restrictions

If you obtained the Software from Prosys PMS Ltd or one of its authorized resellers, and subject to your payment of applicable license fees and your compliance with the terms of this Agreement, Prosys PMS Ltd grants to you a non-exclusive license to install and use the Software in the manner and for the purposes described in the product documentation.

This Software is sold and distributed as single computer software licenses. You shall restrict the installation and use of the Software on only a single computer, for which you have purchased a valid license. In case a license has been sold to be used on a specific computer, you may not transfer the license (install the Software) to another computer without a written permission of the Licensor and paying the applicable service or license fee.

For a single computer or server attached or not attached to a network, the Software is considered in use when any portion of the Software is either loaded in memory or virtual memory, or stored on a hard disk or other storage device. The quantity of the Software in use is considered to be the maximum number of computers, servers and network stations on which the Software is either loaded or stored at any time.

Except as provided in this software license Agreement, You may not transfer, rent, lease, lend, copy, modify, translate, sublicense, time-share or electronically transmit or receive the Software, media or documentation. You acknowledge that the Software in source code form remains a confidential trade secret of Prosys or its suppliers and therefore you agree not to modify the Software or attempt to decipher, decompile, disassemble or reverse engineer the Software.

If you purchased the Software as an upgrade, it constitutes a single product together with the product that you upgraded and may not be used to increase the total number of licensed copies of the Software. You may use the upgraded product only in accordance with this license Agreement and you may not transfer this Software or the product you upgraded unless they are transferred together as a single product.

5 Rights to the Software

All proprietary rights to the Software and the related materials belong to Licensor or its contracting parties. The license does not give you any ownership or title to the Software.

All intellectual Property rights associated with or arising from the Software including copyright, trade secrets, patents and trademarks belong to Licensor.

Any reproductions of any portion of the Software by the Licensee shall include any proprietary and statutory copyright notices present in the original Software.

6 Termination of the License

Notwithstanding the provisions above, the Licensor shall have the right to terminate this Agreement with immediate effect in case of any breach of the Agreement by Licensee.

On the expiration of the Agreement the Licensee shall return to the Licensor the Software and the support material or verifiably destroy it.

7 Limited Warranty

Prosys warrants that the Software, as updated and when properly used, will perform substantially in accordance with its accompanying documentation, for a period of ninety (90) days from the date of receipt. Any implied warranties on the Software are limited to ninety (90) days.

Prosys's entire liability and your exclusive remedy shall be, at Prosys's option, either (a) return of the price paid, or (b) repair or replacement of the Software that does not meet the Limited Warranty and which is returned to Prosys. This Limited Warranty is void if Software fails as a result of accident, abuse, misapplication or if used in connection with other software differing to specifications and instructions. Any replacement Software will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer.

To the maximum extent permitted by applicable law, Prosys and its suppliers disclaim all other warranties, either express or implied, including but not limited to, any implied warranties of merchantability, fitness for a particular purpose, non-infringement or title, with regard to the Software and the accompanying documentation.

To the maximum extent permitted by applicable law, in no event shall Prosys be liable for any damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out the use of or inability to use this Software, even if Prosys has been advised of the possibility of such damages. In any case, Prosys's entire liability under any provisions of this software license Agreement shall be limited to the amount actually paid by you.

The warranties given in this article constitute the only representations and warranties made by the Licensor with respect to defects or non-conformities in the Licensed Software and are in lieu of all other warranties, whether expressed or implied, including implied warranties of merchantability and fitness for a particular purpose.

8 Updates, Supplements and Services

These terms shall also apply to any updates, supplement, Internet-based service and support services for the Software. These terms may be supplemented or amended by the terms accompanying the items.

9 Third Party Software Components

This Software utilizes third party software components and you can find information about them from the download

page and from the about dialog of the Software.

10 Invalid Clauses

In case one or more provisions of this Agreement are invalid, the validity of the remaining provisions of the Agreement shall not be affected thereby.

11 Applicable Law and Dispute Settlement

This Agreement shall be governed by and construed under the laws of Finland excluding the rules of conflicts of laws of the Finnish legislation.

The competent court of the domicile of the Licensor shall have jurisdiction in any dispute arising out of this Agreement.
